NOTICE OF POOL RESTRICTIONS

Dear Owners:

Since pool season has now arrived, the Board wishes to remind all residents that pool restrictions will be strictly enforced. The Oak Creek Condominium Association Rules and Regulations ("Pool and Hot tub Rules") states in part:

- **"Large parties, defined as more than 5 persons, must have the written permission of the Board, no less than 7 days in advance."**
- **"It is prohibited to climb or play on or in the fountain."**

Please refer to your Rules and Regulations, which is enclosed, for a complete list of all pool rules. Some violations involve issues which are safety related, such as playing on the fountain. These violations may carry a first fine of up to $250 in some instances.

The Oak Creek Board of Directors wishes to keep our property safe and fun for all residents. Your cooperation is greatly appreciated.

Sincerely,

Oak Creek Board of Directors
